TOPIC:

Neurodivergence and Working
in the Entertainment Industry

WHAT WE'LL COVER:

- How neurodivergent individuals can access, navigate, and build sustainable careers in the entertainment industry
- Practical ways industry professionals and organizations can support inclusion, access, and collaboration
- Real-world pathways, partnerships, and next steps to get involved and create meaningful impact

**AUTISM IN
ENTERTAINMENT**

JUDITH UTTAL

Judith Uttal is a leading voice for neurodiversity in entertainment and the Founder of **Autism In Entertainment**, advancing awareness, education, and career access for autistic creatives. A former president of Orange County Asperger's Support Group, she empowers individuals and employers alike through advocacy, communication, and collaboration.
