There is a \$26 fee for course materials.

The mission of a Toastmasters club is to provide a mutually supportive and positive learning environment in which every individual member has the opportunity to develop oral communication and leadership skills, which in turn foster

self-confidence and personal growth. These are goals which are consistent with the needs of individuals with Asperger's Syndrome, who typically have difficulty with social and communication skills. A side benefit of the club is that participants can have fun and make friends.

About the Orange County Asperger's Support Group

The Orange County Asperger's Support Group is a nonprofit organization dedicated to improving the quality of life for autistic teens, adults, and families in the community. We achieve this through providing support, organizing social activities, and education. Our goal is to empower the autism community by creating a safe and welcoming environment where individuals and families can connect with others who share similar experiences and challenges. We believe that through support and education, individuals with autism can achieve their full potential and become valued members of the community.

The Orange County Asperger's Support Group is a nonprofit, tax-exempt 501(c)(3) charitable organization. Visit OCASG online at www.ocaspergers.org or email them at ocasupport@gmail.com.
